

# Weekly Update

## Week October 10, 2016

**Friday October 14th, there is no school!**

### **Fall intercession**

Fall intercession is next week and there will be no school from October 17th to the 21st. During fall intercession staff will participate in professional development as well as prepare for the Individualized Learning Plan Meetings. These meetings are mandatory for parents, please make sure to sign up this week for your child's meeting next week. If you have a child in Kinder – 8<sup>th</sup> grade you may sign up for your meetings by the K-8 Front desk.

For High School students – crew leaders will arrange a time to meet with you and will send a sign-up sheet with your child.

During these important meetings make sure to advocate for your child and ask questions on how to support them at home and if you have any academic, social, emotional or behavior concerns please share them. You are an expert when it comes to your child and if you notice anything that concerns you, let their teacher know so we can work together to best support them.

### **Help keep our neighborhood clean!**

Would you like to help see a clean neighborhood around our school? You can help our efforts by downloading a free app on your phone that reports illegal dumping, graffiti, pot holes and any other hazardous areas around our building. It's super easy. Simply download the app called "See Click Fix" on your smart phone, snap a picture of the trouble area and report it to the city of Oakland. You can see other issues that have been reported by others and you can vote for these reports to be addressed. You can use this app anywhere in the city, but the more our city sees our communities needs, the louder we can be to be heard. [SeeClickFix](#)
