

# Weekly Update

## Week of November 8, 2016

### **November 11<sup>th</sup> is Veteran's Day – No school**

#### **Parent one-on-one sessions**

Our Family Liaison, Maritza Ortiz, will be conducting a listening campaign to hear directly from parents. She would like to schedule some parent one-on-one sessions to get to know parents better and discuss how you are feeling about our school. These sessions can be held at the Lighthouse campus or at your home. If you are interested in speaking with Maritza, please email [Maritza.ortiz@lighthousecharter.org](mailto:Maritza.ortiz@lighthousecharter.org) or speak to her in person.

#### **Coffee Tuesday on November 15<sup>th</sup>**

Parents come and join us for our parent class in our Lighthouse Creativity lab! We will offer parent classes in the creativity lab once a month starting on November 15<sup>th</sup>! These classes are to help parents learn how their kids learn in the creativity lab while doing some really cool parent projects! Come join us at 8:45am in the family resource center!

#### **Harvest Festival Tomorrow!**

We are excited to announce that After School Program will be hosting our annual Harvest Festival on Wednesday November 9, 2016. The event will take place in the Multipurpose Room aka the cafeteria from 4-6pm & is a whole school event. We will have activities ranging from a haunted house to face painting and various games. Students are welcome to come to the festival dressed in costumes! Students must come in uniform for school and costumes must stay in the student's backpack during the day. There will be a time to change into their costumes during the after school program. If your child does not participate in the after school program but would like to attend, please ensure that they are with a parent or guardian at all times. Thank you and we hope to see you there!
