A portion of the registration process can be completed at home via our online platform, SchoolMint. Note that we are only have 1 week to complete registration this year. There are hard copies of mandatory forms that must be filled out and turned in at the school in person. We will not be emailing or faxing these forms. If you're interested in signing up for the afterschool program and/or meal program, please fill out these forms at the front desk. Please ensure to plan your summer in accordance with these dates. See you there.

Lighthouse Wellness Policy

Lighthouse has a Wellness Policy to help support healthy eating at school. Lighthouse has committed to provide healthy breakfast, lunch and snacks for our students, but also know that many other foods enter our campus. We ask that if you care to bring food for your student(s) or their classroom, that it is a healthy meal. Discourage from bringing pizza, cupcakes or other junk foods for celebrations or fundraisers during the regular school hours. We invite you to bring in healthier options. If you need any further ideas on what can be considered a healthier option feel free to check in with your child's teacher or the front desks. Copies of our Wellness policy are always made available at our front desks. Thank you for your cooperation.

Parent Work Day

A HUGE appreciation for the dozen parents that came this past Saturday for our parent work day and helped get a lot done in the classrooms! There was some deep cleaning in classrooms and it is much appreciated by teachers and it benefits all of students!
